“Broken and Cracked”

1 Cor 12:12 (NiV)

Have you ever broken something that meant a lot to you and you tried to glue it back together, but it left Cracks?

The Father said to me; the body of Christ has been broken and cracked and out of joint. He said I am re-member-ing my body, I am re-construct-ing, re-shap-ing, re-stor-ing, re-align-ing, re-generat-ing and re-furbish-ing the body. I am repairing the broken, the cracked, the dull. “I am bringing health and luster. A new shine, as polished gold for both natural and spiritual.”

3 John 1:2 says; **I wish above all things that you prosper and be in health eve as your soul prospers.**

There is a key here, (**as your soul prospers**). If darkness is there, the light is not seen. Want to be healthy; Physically and spiritually? Then the soul must change. (**The mind**) The washing of the Word, cleanses those dark areas, those hidden things. Those things will rob you of the light and your physical and spiritual health. Sure, glue may have been applied, a temporary, limited, not permanent fix. Every so often the light may shine through the cracks, but not enough to bring much change. We are still fragile, just like the object we tried to glue back together, but we still have cracks.

Notice the prefix RE; indicates back or backwards. The suffix ING; is to express the action of the verb or its results.

Example: God is re-member-ing; to cause something to come back to your mind; to bring back what was lost or scattered. He is calling back what we lost in the garden; our memory of who we are in Him.

God is re-construct-ing; to rebuild something. Has something in your life caused damage? Let him reconstruct those areas. He’s building a house not by hands but by His Spirit.

He is Re-shaping; **to give a new form or shape to something.** Example: the body of the car was reshaped to allow for cargo space. He is reshaping HIS body for greater works and a better fit for his purpose.

He is Re-storing; **to return something to an earlier state or original condition.** John 10:10 he wants to give back what the enemy stole from us. He wants us to have a FULL LIFE. He is Re-align-ing; to change something so that it agrees or matches something else. (Jesus; the Pattern) he wants us to be we come into agreement with his word and when we do a realignment takes place.

He is **Re-general-ing**; **To be restored to a higher, more worthy state, to give New Life to something.**

He is **Re-furbish-ing**; **to brighten, freshen up or polish.** **You are gold in the making- we are being buffed, polished and shined for His Glory.**

He is remembering, reconstructing, reshaping, restoring, realigning, and refurbishing US?

In other words; we are being EDITED to prepare something to be published or used to make changes. Connect mistakes, to alter, adopt or refine. Specially to bring about Christian’s conformity to a standard or to suit is a particular purpose.

Eph 4: **Until we all reach unity, in the fourth faith and in the knowledge of the Son of God became mature, attaining to the whole measure of the fullness of Christ.**

This is his Purpose.. Let him take care of the cracks!!!!
